## Airport Ground Transport

The three closest airports to Niagara Falls are Buffalo, NY; Hamilton, ON; and Pearson Airport, Toronto. For ground transport, the hotel recommends **Niagara Airbus** since they service all three airports. Their website is [www.niagaraairbus.com](http://www.niagaraairbus.com) and advance reservations are definitely advised. Click on Airport Service.

If flying into Toronto Island Airport, click on: Airport Service – Other Airports on the Niagara Airbus site. The other option is to take the train/bus from Toronto Union Station to Niagara Falls and then taxi to the hotel. See VIA rail: <http://www.viarail.ca/> (approximately \$50 return).

Niagara Airbus return prices including taxes are: Pearson - \$143.50 / Buffalo - \$153.00 CAD  
There is no shuttle from Hamilton airport but private car can be arranged for up to 3 people at \$155.00 each way.
