COCA is pleased to announce **Steven Kerzner** as our Wednesday Lunch Keynote. He will address COCA delegates after lunch on June 10 in the Mayfield Dinner Theater at the DoubleTree by Hilton West Edmonton.

Steven Kerzner is the force behind the witty & opinionated Canadian TV icon [Ed the Sock](#). An award-winning producer, writer and performer, Steven was also an architect of MuchMusic's most successful years and was listed as one of the Globe & Mail's 40 Most Influential People in Canadian Media.

A TV trailblazer, Steven's backstage tales of "dirty laundry" – being Ed the Sock, working with celebrities, and the rise and fall of MuchMusic – provide a rare behind-the-scenes look at the media and the haphazard history of a much-loved era of Canadian television.

In the course of his career, Ed the Sock has worked with top celebrities like Christina Aguilera, Justin Timberlake, Beyonce, Denzel Washington and Willie Nelson and been behind the scenes at star-studded events like the MTV Awards, Muchmusic Video Awards and Juno Awards.

Steven is represented by the [National Speakers Bureau](#).
