Airport Ground Transport

The three closest airports to Niagara Falls are Buffalo, NY; Hamilton, ON; and Pearson Airport, Toronto. For ground transport, the hotel recommends **Niagara Airbus** since they service all three airports. Their website is www.niagaraairbus.com and advance reservations are definitely advised. Click on Airport Service.

If flying into Toronto Island Airport, click on top menu: Airport Service – Other Airports on the Niagara Airbus site. Call for town car prices. The other option is to take the train/bus from Toronto Union Station to Niagara Falls and then taxi to the hotel. See VIA rail: <http://www.viarail.ca/> (approximately \$55 return).

Niagara Airbus return prices including taxes are: Pearson - \$167.47 / Buffalo - \$177.65 CAD
There is no shuttle from Hamilton airport but private car can be arranged for up to 3 people. Call for pricing.
